

Speech of thanks.

Gathering and making access of all the information did take many years. It was possible because many persons did help us. It is impossible to mention everyone who did contribute, but it is clear that we thank them all.

Special thanks to Mr. J.Th.M. Giesen, keeper of the records of the archives of the region of Zevenaar ("Streekarchief de Liemers en Doesburg"); to Mr. P. Heinen, keeper of the records of Millingen aan de Rijn; Mr. Jansen, keeper of the records of Uedem; Mr. Giesen, keeper of the records of Sonsbeck (D); Mrs. A. Gamerschlag, keeper of the records of Kalkar; Mosaik, Society for ancestor research for the city of Kleef and surrounding. Karl and Lissy Gesthüsen did make an overview of all the Gesthüsen's in Kervenheim. Mrs. Maria Groenewald-Hendricks (Griethausen) did 'translate' many certificates written in old German writing. Malcolm Gesthuysen (London) was so kind to translate this text into English.
